

**2018 OYC Pursuit Regatta Lake Norman**

Saturday, April 28, 2019

**Event Admin:** John Olsen**Race Officer:** Steve Battel

**Note 1:** Per NOR 9.3 There will be one starting sequence for all fleets. The Class Flag will be the Numeral Flag 1. We will fly the course letter (A, B, C, etc. ) below the Class flag to indicate course. Your individual starting time after the starting horn can be found by looking at the intersection of the column under the course, and the row with your boat.

Example: Course flags flow show the #1 Flag with the C flag under it. That means we will sail course C, and if you are 'Impunity', you will start 49 seconds after the starting horn.

	Course A	Course B	Course C	Course D	Course E	Course F	Course G	Course H
