Commodore Doug's Remarks

Commodore Doug Riley

The Annual Membership meeting will take place on Saturday, November 14, 2015 at Mariner Villas Clubhouse after the Oyster Roast which will kick off at 5PM. The Commodore Cup will be staged earlier in the day with the Warning Signal for the 1st of 2 races to be at 11AM. This is your Club and your participation in this meeting, although not a mandatory requirement is very much appreciated.

A big part of the agenda for this meeting revolves around approving your leadership for 2016. The Nominating Committee has presented to the Board of Trustees a slate of candidates that includes Craig Galow as the new Member At-Large and Steve Holbrook as the new Rear Commodore. This slate was approved in the Board meeting of 11-3-15 and we ask that you affirm these nominations with your vote on the 14th and support the efforts of Craig and Steve

VICE COMMODORE CHRIS' REPORT

Vice Commodore Chris Greenman

Ahoy sailors! As 2015 draws to a close I want to thank everyone for another great year of racing. While we didn't win Peninsula Cup Club Challenge, we did have a great showing for the Peninsula Cup Regatta. Hopefully we can win the challenge next year.

In addition to the Pen Cup, we also had the 6th annual Leukemia cup in October. I want to personally say congratulations and thanks to Roger

and Martha Staley for once again organizing a fantastic event. The winds were typical for Norman meaning it was challenging racing for all 28 competitors. This year we raised \$6913 for the Leukemia and Lymphoma Society.

The last race of the season is the Commodore's Cup on November 14th with the Oyster Roast and annual meeting to follow. Hope to see everyone out on the water one last time. Also, don't forget that the Icicle Series starts in January.

Chris

REAR COMMODORE BOB'S REPORT

Rear commodore Bob Davis

OYC Members:

That time of year is here.....OYSTERS!!! SAVE THE DATE!

November 14th 2015 is the Type to enter text Commodore's Cup Regatta. This is our club championship and is the only race that means anything as far as racing status and overall respect on the lake. There is only a \$10.00 entry fee that contrary to what many claim, does not go into Doug's pocket. see [http://www.outriggeryachtclub.org/](http://www.outriggeryachtclub.org/2015/2015CommodoreCupNOR-SI.pdf)

[2015/2015CommodoreCupNOR-SI.pdf](http://www.outriggeryachtclub.org/2015/2015CommodoreCupNOR-SI.pdf) for all the details.

After the race, we will convene at Mariners Villas for the swapping of lies and excuses over soft drinks, beer, and wine provided by OYC. We will gather at 5:00 pm for "Happy Hour" followed by Doug Riley serving his steamed oysters along with his white bean stew for which is somewhat famous. Due to the expense of the oysters (and the expense of the committee boat problems) we are asking for \$10 a head for the dinner. You may bring an appetizer or dessert, in lieu of the \$10.

PLEASE RSVP TO DOUG @ doug_riley@bellsouth.net ASAP as Doug needs to order the oysters in the next day or so.

through the coming year, as well as Bob Davis as your new Vice Commodore and Chris Greenman as your new Commodore. The lovely and talented Ms. Sherry Corbett will continue to perform the duties of Treasurer, as least as long as she lives under the same roof as a Board member...That means me, not that she is going to go live with someone else.

As we move forward into 2016, I hope to see more participation. Not only on the water but volunteering for Race Committee and taking advantage of what I hope we will be providing in the way of RC education and training. All 3 Clubs on the Lake are interested in getting more volunteers on their respective Committee Boats than the few who are seemingly always out there. RC is a part of racing...We need more to want to get involved rather than being pulled into it kicking and screaming.

Sailing is fun. Racing is more fun. Race Committee is fun too. Volunteering to help out with social activities and serving on the Board of Trustees is fun as well.

I appreciate all who have helped us in 2015. I would like to thank Wade Miller, retiring Past Commodore, for his 4 years of service. Wade and Hodges will soon embark on a global sailing adventure. Godspeed to you.
